The petitioner is a stage carriage operator on the route Kaipamangalam Fisheries School – Bungalakadvu. He sought a variation of the permit for avoiding overlapping portion of a notified route. The R.T.A. granted variation subject to settlement of timings pursuant to a judgment of the STAT. Petitioner's complaint is that thereafter permit is not being issued after settling timings, even though the matter was placed before the RTA several times.

2. The learned Government Pleader on the strength of a counter affidavit submits that this was delayed only because the applicant was directed to produce a fresh set of timings without much change and that the matter has been referred to the concerned Motor Vehicle Inspector for report. He would further submit that as soon as the report is received, the R.T.A. would

consider the same at the earliest.

3. Having heard both sides, I dispose of this writ petition with a direction to the 1st respondent to settle the timings and issue a varied permit to the petitioner, as expeditiously as possible, at any rate, within two months from the date of receipt of a copy of this judgment.

The writ petition is disposed of as above.
